## OFFICE OF THE REGISTRAR

---

### NOTICE TO ALL FINAL YEAR STUDENTS

All final year students are required to verify the accuracy of their personal details displayed in the student portals. It is crucial that the information is correct and matches your official documents.

Please ensure that the following details are accurately captured:

**Full Name:** All names should be displayed in full, with no initials.

**Date of Birth:** Confirm that this matches your national ID.

**Place of Birth:** Ensure this is correctly recorded as per your national ID.

**National Identity Number:** Verify that your national ID number is correctly entered.

You are also required to verify and ensure that all modules undertaken are captured under the relevant semesters.

Please complete this verification by 29 November 2024. Any discrepancies should be reported to the Admissions or Examinations Office immediately for rectification.

Failure to verify your student portal may result in:

- Failure to graduate
- Delays in processing transcript requests
