

NOTICE TO ALL STUDENTS

FIRST SEMESTER 2023 FEES

Students are advised that fees for First Semester 2023 remain unchanged. However, a portion of the ancillary fees in the amount of at least USD150 will be payable in the USD currency only. The remaining portion plus tuition fees can be paid in USD or in local currency at the prevailing bank rate. Some service providers and suppliers have been insisting on payments in USD only. The University therefore has to receive a portion of the ancillary fees in USD to remain operational.
