

OFFICE OF THE REGISTRAR

NOTICE TO ALL STUDENTS

Following the conclusion of the First Semester 2021 examinations, the University is now marking scripts and processing results. You are being advised that during this process, priority will be given to fully paid-up students.

Therefore, you are being advised that the University has set Thursday, 30 September 2021 as the deadline for the payment of full fees. Students whose fees have not been cleared will not have their results processed. To avoid inconveniences in results processing and next Semester's registration, ensure that your fees account is fully paid-up by the set deadline.

Be guided accordingly.
