NOTICE TO ALL STUDENTS

FACE-TO-FACE REVISION AND END OF SEMESTER EXAMINATIONS

Please be advised that following the relaxation of the Covid-19 Lockdown restrictions, as announced by His Excellency, the President of the Republic of Zimbabwe, Cde Dr E D Mnangagwa on 1 March, 2021, the University, like all other Universities, is preparing to bring back students on Campus for face-to-face revision and eventually the writing of the end of semester examinations.

Currently, the University is awaiting direction from the parent Ministry on when students will be allowed to be back on Campus. Once the position is clarified, students will be notified accordingly. The previously circulated dates were drafted on an assumption that students would be allowed to come back on Campus immediately after the Lockdown.

As for students who have not yet registered, you are advised that the online registration platform shall remain open for registration until Friday, 12 March 2021. Failure to take advantage of this extended registration period will result in one being denied the opportunity to sit for the end of semester examinations.

Thank you.
