### EXAMINATIONS NOTICE TO ALL STUDENTS

You are being reminded that **unregistered** students will **not** sit for the First Semester 2021 examinations scheduled to commence on Monday, 6 September 2021. The University has opened the registration window to allow all students who have registration queries to have their queries resolved before the examinations start. Students who have paid their fees, but the fees payment has not been updated on their portals should present their proof of payment to the Bursar's Department before the date of their examinations.

Be guided accordingly.
