

OFFICE OF THE REGISTRAR

REGISTRATION NOTICE TO ALL STUDENTS

Management has noted with concern that some students have not yet registered for the 1st Semester 2021. Be reminded of the following registration timelines which have been communicated to students:

Registration Opening	Registration Closure
Thursday, 3 June 2021	Saturday, 3 July 2021

Students can **only** register upon payment of 60% of the total First Semester 2021 fees. The full fees must be paid by **10 July 2021**.

Take note that the University has generously extended the Registration period and effected the above payment plan to cater for all circumstances, and after this deadline no registration cases will be entertained.

Be warned that registration after the above timelines will require you to write a letter seeking condonation and will definitely attract a penalty. You are encouraged to abide by the above timelines to avoid unnecessary charges and inconveniences.

Also be reminded that you will not be allowed into the examination venue without registering.

Be guided accordingly.
