

OFFICE OF THE REGISTRAR

NOTICE TO ALL STUDENTS

All students are being advised that following the completion of the 2022 First Semester, examinations are now being marked

Take note that **unregistered students** will not have their examinations marked.

The University has set **Friday, 15 July 2022** as the deadline for full payment of fees for First Semester 2022. All students with outstanding fees balances will not have their examination results processed and will have their accounts automatically levied with an interest after the above deadline.

All students are therefore encouraged to settle their fees balances and those that had not registered, to regularize their registration by **Friday, 15 July 2022**.

Be guided accordingly
