5.0 GRADUATION PRAYER

Heavenly Father, we thank you for our university's tenth (10th) graduation Ceremony. We bear witness again today, to the mighty working power of your hand in Our University. We acknowledge that without you, Lord, we could not have achieved what we have managed to achieve as a University.

We beseech thee our Heavenly Father that you continue to pour your blessing upon us that we can be able to accomplish the purpose of this University, which is to produce quality outstanding leaders who are born again, Spirit filled and God fearing with dignity and integrity.

Lord, we pray that you bestow upon those who are graduating today, the grace to be unique leaders. Leaders who are faithful, not greedy, not corruptive but committed to serving people in the fear of God, for world transformation. We implore thee Lord, to help them to continue to cherish the Christian values of Unhu/Ubuntu, taught in this University.

We thank you for the parents and relatives who supported the graduands in their educational endeavours without whose support they would not have achieved what they have achieved today.

We pray that this may be a happy and memorable day for all of us.

We commit this event into your hands oh God.

We pray all this in the name of Jesus our Lord and Saviour.

Amen
