NOTICE TO ALL STUDENTS

The University is pleased to announce the establishment of a strategic partnership with Doves Funeral Services. Through this partnership, every registered student will now enjoy the benefit of a funeral policy at a contribution of USD6.00 per semester.

This development marks an important step towards providing a more structured, dependable and meaningful support system for students and their families. Accordingly, the Funeral Policy will take the place of the Bereavement Fund, which will no longer operate in its previous form. The Bereavement Fund component will now form part of the Scholarship Fund, strengthening the University's broader commitment to supporting underprivileged students.

We believe this initiative reflects our shared values of compassion, dignity and community. Further information regarding the policy benefits and implementation will be communicated in due course.

For any enquiries, students are encouraged to contact the Student Affairs Department.
